# Help for cancer patients

Posted 2 days ago

The Supportive Care Program of Sudbury Regional Hospital's Regional Cancer Program is offering two information sessions for cancer patients.

A session on Nutrition During Treatment will be presented by program dietitians. This interactive class will touch on topics such as what to eat during your treatment and how to manage side effects of treatment.

The free class will be offered Jan. 14 from 1:30- 2:30 p. m. at the cancer centre at 41 Ramsey Lake Rd. Register in advance by phoning 522-6237 or 1-877- 228-1822, ext. 2175.

Those who have been diagnosed with breast cancer are invited to attend a Breast Cancer Information Session with social workers, physiotherapists and genetic counsellors.

The session will discuss how to talk to your children about cancer, lymphadema, hair loss, sexuality and hereditary breast cancer on Jan. 15 from 1:30-3 p. m. at the cancer centre. The session also requires registration.
